# ROMANS SMOLINS

## BRIEF INTRODUCTION

My name is Roman, I am a 3rd-year student at the Riga Technical University. I am passionate about development in every aspect and I'm craving to connect my life with the industry of software development. However, the iGaming niche is also rather close to me, and I would like to find a way, how to combine my passion for development with the interesting of the iGaming segment.

## JOB EXPERIENCE

### WEB DESIGNER

SIA Centavr | March of 2022 - June Of 2022

- Being a web designer at SIA Centavr I have created a modern store from scratch. During this time, I have gotten acquainted with CMS WordPress and gained experience in using Google Analytics, as well as Search Console. Moreover, I managed content in three languages.

### CONTENT MANAGER

SIA MafiaGame | February Of 2022 - November Of 2022

- This is my very first job connected with the iGaming industry. During this time period, I have found out how to write SEO-optimized content on the Bonusmaniac website. Moreover, my duties included, negotiation with casino managers and affiliates, in order to ensure unique content.

## EDUCATION

### Riga Technical University

Bachelor Degree in "Information Technologies" |  
September of 2020 - June of 2023

- While studying at the university, I realized that I want to connect my life with the development and creation of interesting things. During the training, I was able to develop such skills in myself as analytical thinking and the ability to adapt to the situation.
